

CLASS-V

Academic Session 2019-2020

Dear Parents

Summer Vacations are round the corner and spell fun, frolic & ice-creams for around two months. While fun is intrinsic to their age, constructive activities and fruitful occupation of their time is of vital importance. It paves the way towards a bright future for the child and a progressive learning graph.

Some Pointers: -

- *Free play time should alternate with structured games-this cultivates sportsmanship.*
- *Assign a permanent workplace and a work time, this brings in system and discipline into the child's life.*
- *Inculcate good manners, healthy habits and respect for elders.*
- *Never ever compare or hurt their pride as it will stunt their confidence.*

We are giving a short assignment for the vacation. We have tried to make the work enjoyable, keeping in mind their interest. Space out the work & the child will enjoy doing it. Enjoy your holidays with your children. HAPPY HOLIDAYS!!

Regards

Head of Middle School
