

## CLASS-VII

### Academic Session 2019-2020

*Dear Parents*

*Summer Vacations are round the corner and spell fun, frolic & ice-creams for around two months. While fun is intrinsic to their age, constructive activities and fruitful occupation of their time is of vital importance. It paves the way towards a bright future for the child and a progressive learning graph.*

*Some Pointers: -*

- *Free play time should alternate with structured games-this cultivates sportsmanship.*
- *Assign a permanent workplace and a work time, this brings in system and discipline into the child's life.*
- *Inculcate good manners, healthy habits and respect for elders.*
- *Never ever compare or hurt their pride as it will stunt their confidence.*

*We are giving a short assignment for the vacation. We have tried to make the work enjoyable, keeping in mind their interest. Space out the work & the child will enjoy doing it. Enjoy your holidays with your children!*

**HAPPY HOLIDAYS!!**

*Regards*

*Head of Middle School*

**HOLIDAY HOMEWORK SUMMER SEMESTER**  
**Session 2019 – 2020**

Name: \_\_\_\_\_ Class: VII  
Date: \_\_\_\_/\_\_\_\_/\_\_\_\_ Subject: English

**Note : The holiday homework is to be done in a thin notebook, and should be properly covered and designed.**

1. Be a journalist and write about your imaginary meeting with any famous actor/actress/politician/author.
2. Choose any three pictures from the sports section of your new daily or sports magazine and write a picture composition based on it. Don't forget to paste the picture in your write up

03. Homophones:- A homophone is a word that is pronounced the same as another word but differs in meaning. A homophone may also differ in spelling. The two words may be spelled the same, such as rose (flower) and rose (past tense of "rise"), or differently, such as carat, caret, and carrot, or to, two, and too. Compose a poem using Homophones. Highlight them and write their respective homophones.

4. Write a paragraph on any three topics (100-120 words)
  - a) -A world of my dreams.
  - b) -Mobile phone, a necessary evil.
  - c) - Life in a big city.
  - d) -Sound mind resides in a sound body.
  - e) -My first experience of using a computer.

5. Books are not lifeless papers. They are a lighthouse erected in the sea of time. Read any ONE of the books suggested in the list or ANY OTHER BOOK YOUR PREFER. So get going, indulge in the delight of reading and do the exercises that follow:

1) Black Beauty

2) Robinhood

a. Which is your favourite character from the book which you have read?

Write your answer describing the character along with the qualities it possesses. Use rich vocabulary from the book you have read. (80 words)

b. Design a new book cover of the book you have read, submit your art work on an art sheet.

c. Complete the story review after reading the story on the format given.

Parents, please continue to encourage your child to read. Here are a list of sites you can use to encourage reading.

-----

**HOLIDAY HOMEWORK SUMMER SEMESTER**  
**Session 2019 – 2020**

Name: \_\_\_\_\_ Class: VII  
Date: \_\_\_\_/\_\_\_\_/\_\_\_\_ Subject: Math

**General Instructions:**

- Submit your work in a file/folder with a cover page. Present your work neatly.
- The work should be hand written.
- Use the ruled sheets wherever required or a thin notebook
- Manage your work in such a way that a little work is done every day to avoid piling it for the last moment.

**SET -A**

**ACTIVITIES TO BE DONE BY ALL STUDENTS:**

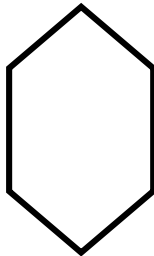

**1. MATHEMATICS**

Collect information on any two Indian Mathematicians. Write down briefly about their contribution to the subject. Also paste their pictures. Prepare a scrapbook

**2. SHIPSHAPES**

Follow the instructions given below each shape to make some new shapes.

a.) Draw four lines to make triangles.

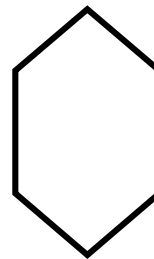

b.) Draw three lines to make six rectangle and three triangles.

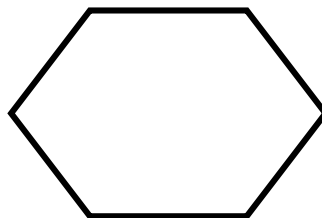

c.) Draw two lines to make four triangles

d.) Draw three lines to make six triangles.

e.) Draw three lines to make two squares and four triangles

#### 4. MAGIC SQUARE

The box given below is a magic square. The numbers add up to the same total in every direction. Every row, column and diagonal adds up to 111. But there are some missing numbers. Fill in the missing numbers. The numbers are all different.

		7
13	37	

#### SET-B

1. Do exercise 1,2,3 and 4 from Mental Mathematics Book.
2. Solve the worksheets from 1 to 8 (Pull-out Worksheets)
3. Do the activity-1 “**Multiplication of Decimal numbers**” from Mathematics Lab Manual.
